

## Admin-Log in Screen

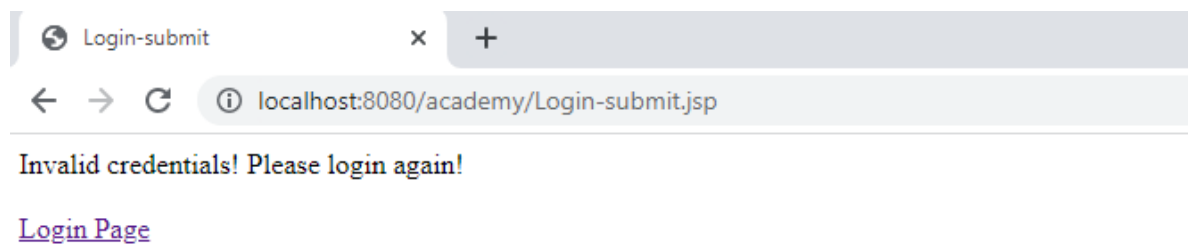

A screenshot of a web browser showing the 'Admin-Log in Screen'. The browser's address bar displays 'localhost:8080/academy/index.jsp'. The page content includes a red heading 'Welcome to Learners academy' and a blue link 'Administrator login'. Below this is a form titled 'Admin Login' with two input fields: 'Admin Emailid:' and 'Admin Password:'. A 'Login' button is positioned at the bottom left of the form.

## Login Without credentials

A screenshot of a web browser showing the 'Login Without credentials' screen. The browser's address bar displays 'localhost:8080/academy/Login-submit.jsp'. The page content shows a message: 'Email/password should not be blank! Please login again!'. Below the message is a blue link 'Login Page'.

## Login incorrect credentials

A screenshot of a web browser showing the 'Login incorrect credentials' screen. The browser's address bar displays 'localhost:8080/academy/Login-submit.jsp'. The page content shows a message: 'Invalid credentials! Please login again!'. Below the message is a blue link 'Login Page'.
